Finding Nemo KIDS is part of our STAR (Summer Theater Arts Review) program, which is now in its 8th season. The children you will see on stage tonight have recently completed 2nd-5th grades. Some have been with us performing for 3 years, others are brand new to us. This is a vibrant and talented group of kids with a real passion for performance. We are so thankful for their hard work and ability to make it all so much fun. We hope you enjoy tonight's performance of *Finding Nemo Jr.*
