• **DIRECTOR'S NOTES** •

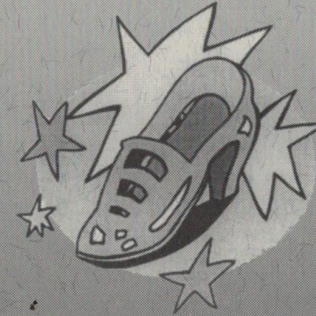

My TRF Community Arts Council adventure started with being the Musical Director of "Oklahoma". What a great opportunity it was. Moving on to "Cinderella", I was a bit nervous, a cast of 45, all between the ages of eight to 18, need I say more? However, it has proven to be one of the most rewarding summers yet! The young folks that I have had the pleasure of working with in this show are enthusiastic and full of talent. Parents, you should be proud, because I know that I am.

Working on this production I have been truly blessed with a fantastic crew. Philip Hoks, Peter Hoks, Kathy Olson, Catherine Hagen, and Karen Jenson have all been a delight to work with. Although technically not a crew member, Heidi Hoks has been instrumental in serving as my friend and theater resource, thank you. And I can't forget my wonderful fiancé, thank you; you can have me back now!
